The winner of the 2011/2012 Local Lodge 743 Women's Committee education grant was awarded to Samantha Dubner, the daughter of Dave Dubner, who is an employee in the HSWR Metrology department in Bldg. 2 and a long time union member. Samantha will be attending her sophomore year at University of Massachusetts in Amherst.

Samantha discussed in her essay her love of helping people and how that played a role in her dreams of becoming a physician's assistant. She also talked about her experiences volunteering as a child, in school and in her communities.

The Woman's Committee would like to commend Samantha on her past achievements and we wish her the best of luck as she continues to strive for her goals and dreams!

Congratulations!

We would also like to take this opportunity to wish the best to all of the participants and we encourage our members and their families to continue in both getting involved in their communities and furthering their education.
